

HAD ENOUGH?

Post-Primary Update

California seems to breed them. Speaker Pelosi's temper tantrum at the 2020 State of the Union; Adam Schiff's increasingly bizarre conspiracy theories; Eric Swalwell's priggish scolding – these are the leaders of California's congressional delegation.

Yes, each resides within and represents a supposedly safe district, but safe districts have been breached before. How? With a good candidate and an infusion of money, lots of money. The Republicans have good candidates, but none has the resources of a Soros or a Steyer. However, if enough Republicans were to contribute just \$20 each....

\$20 x 100 donations = \$2000

\$20 x 1000 donations = \$20,000

\$20 x 10,000 donations = \$200,000

\$20 x 100,000 donations = \$2,000,000, and now we're talking real money...

...Enough to force Pelosi, Schiff and Swalwell to dig into their war chests to have to fight back.

Update: Sadly, none of Pelosi's Republican opponents made it through to the General. All the more reason to support the surviving Republican opponents of Schiff and Swalwell. Give Well! Give Often.
